

**Biodiversity  
Week**  
Ireland's National

## **An Taisce's Biodiversity Walks**

To celebrate *Biodiversity Week* in May, An Taisce will celebrate wildlife in rural north Kilkenny with two walks that focus on Woodlands and Hedgerows.

### **Jenkinstown Wood: Thurs, May 17th, 6.30pm**

The first walk will look at the fragrant bluebells and associated spring flowers in Jenkinstown Wood. Meet at the carpark in the wood.

### **Hedgerows at Mothel Lane: Sat, May 19th, 11am**

The second walk will look at the fragility of hedgerows along Mothel Lane (near Dunmore Cave), an area rich in heritage. It will include a visit to the medieval site of the old church and graveyard and the ancient Rath (sponsored by the Irish Environmental Network). Meet at Mothel Graveyard and Ball Alley.

*All are welcome. Please bring walking shoes and rain gear.
