

KILKENNY COUNTY DEVELOPMENT PLAN

PRE-DRAFT ISSUES PAPER AND INFORMATION EVENINGS

Kilkenny County Council invites you to attend a public Information Evening for the County Development Plan.

The Development Plan is a blueprint for the planning and development of your area. A single, consolidated County Development Plan is being prepared for the period 2020-2026 to replace both the previous County and City and Environs Development Plans.

A public consultation period is now underway until the 15th June 2018 during which the public are invited to make submissions. An Issues Paper is on display to aid in this process at County Hall and all branch libraries, and on our dedicated Development Plan website at ourplan.kilkenny.ie.

A number of public Information Evenings are being held as follows:

Thursday. 10th May 7.30pm City Hall, Kilkenny

Wed. 16th May 7.30pm Mullinavat Community Centre

Tues. 22nd May 7.30pm Ballyragget Community Centre
