

KILKENNY COUNTY COUNCIL LIBRARIES

Our popular Summer Reading Challenge is back! Summer Stars Reading Adventure is now underway and runs until August 31st in all libraries in Kilkenny.

The challenge encourages children to read a minimum of **8 books** through the summer holiday period. By participating, children improve their reading levels and avoid the 'summer slide' in an enjoyable way, by picking up free rewards as they progress!

We invite children to come along to the library with a parent to sign up and collect their starter pack which includes a card to record progress. Children can read whatever they like – fact or fiction, as long as books are borrowed from the Library! On completion, a certificate & medal will be awarded, and we will have a free celebration show for all those completing the challenge!
