

Half Marathon, 10K Run, 5K Run & Family Fun Run

Sunday 16th of September at 12 noon.

We are delighted to announce that the seventh annual JJ Reddy Danesfort Run takes place on Sunday 16th of September. Having recently voted the best 10K in Ireland, in the Running In Ireland Awards, our team has been working right through the year to ensure that 2018 will be bigger and better than before. Our half marathon has already attracted athletes from right across the country and is particularly popular with those preparing for the Dublin City Marathon in October.

All Half Marathon runners will receive a souvenir JJ Reddy Danesfort Run Half Marathon technical running t shirt and all chipped race finishers (Half Marathon, 10K and 5k) will receive a bespoke JJ Reddy Danesfort Run Medal and a Race Goodie Bag. A family fun run will also take place on the day with a “kiddies medal” and goodie bag for finishers.

The JJ Reddy run is now a major event on the race calendar for runners in both Kilkenny and further afield and attracting participants of the calibre of Fionnuala Britton and Sean Hehir and local athletes, Adele Walsh, Donna Dunne, Mick Johnson and Thomas Hayes to name just a few.

Chip timing, cash prizes, ample water stops including 250ml bottle, exceptional stewarding and tremendous complimentary post-race refreshments make this race suitable for the most serious runners, social runners and casual walkers. There are also spot prizes and a monster raffle on the day so anyone can be a winner.

Hurling All Stars Richie Hogan and Paul Murphy along with the Reddy Teddy, are Race Ambassadors and will be on hand for photo opportunities and autographs throughout the morning.

Our onsite DJ and festival style, tented village where many of our Local Producers, clubs and service providers will be sampling and promoting their products. There really is something for everyone whether you are a runner, walker or just there to support a loved one, you can be guaranteed an enjoyable day.

There is easy access to the start/finish for visitors either out the N10 from Kilkenny City (the club is on the right as you enter Danesfort) or from Junction 9 on the M9 motorway – the club is only 500m away from the junction (heading towards Kilkenny) and there is ample secure parking there.
