

Invitation

We are delighted to invite you to our South East Regional Sexual Health Promotion Seminar on

**Wednesday 14th November 2018
Respond Housing Complex John's Hill Waterford,
From 12.30pm – 4.30pm**

(Note: A light lunch will be provided from 12.30 to 1pm)

As part of our Regional Healthy Ireland Initiatives, the aim of this day is to provide the opportunity to explore best practice in relation to sexual health and create awareness of the services and supports available across the region.

We believe this is an exciting opportunity to share and showcase the valuable work happening and to allow networking and information sharing with services.

We have attached a draft outline of the day.

This event is free and bookings can be made through Catriona Renwick at:
