Emotional Needs Criteria

Step 9 – 10. I respond well to my children's emotional needs and give them what they need to be happy and deal with life's up's and down's.

Step 7 – 8. I am responding to my child's emotional needs but there are a few problems.

Emotional Needs Criteria

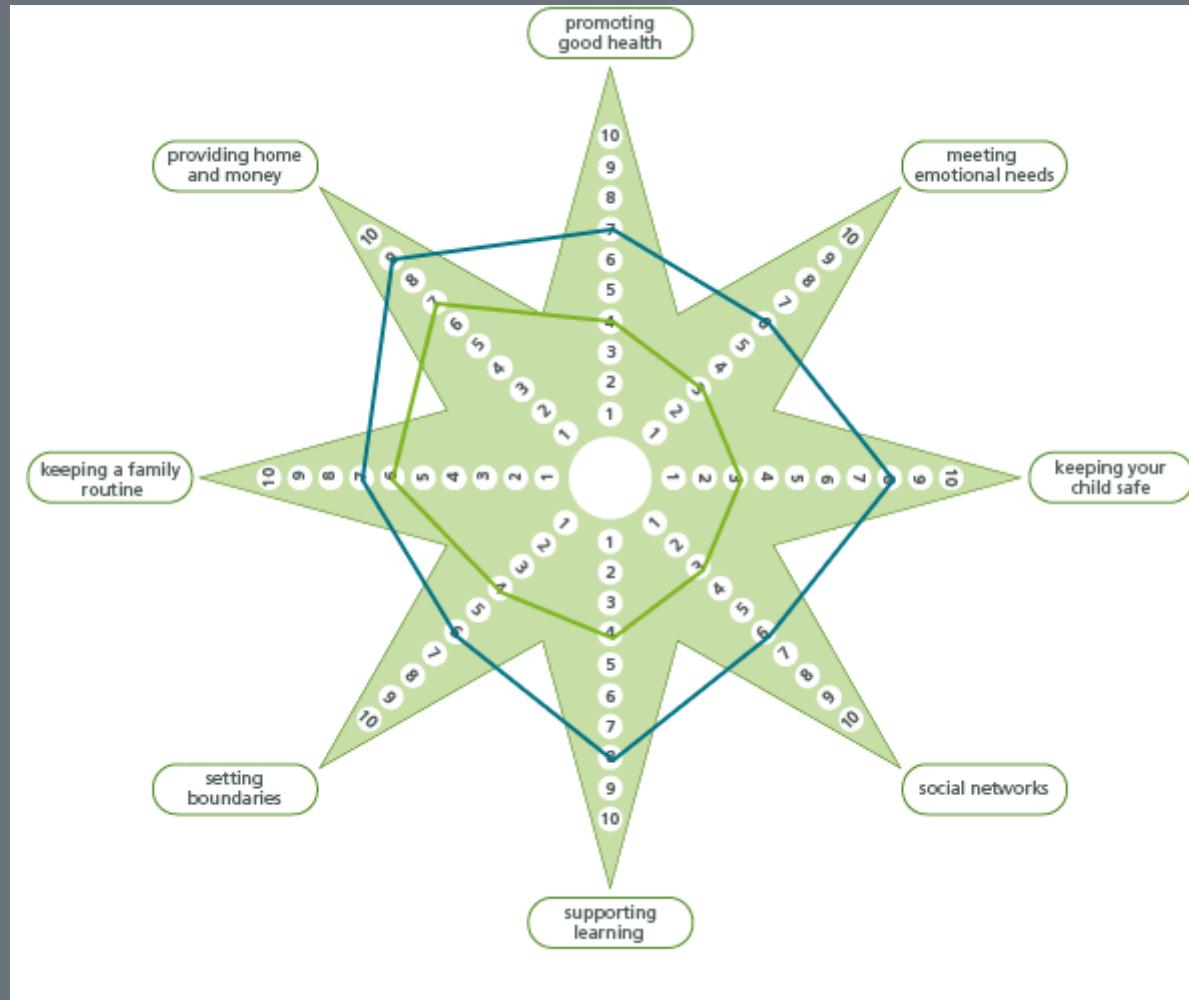

Step 5 – 6. I am trying to be there for my child but it really hard – things keep getting in the way
