

REMINDER: National Consultation Workshop on EU Water Priorities

The [WATER Joint Programming Initiative \(JPI\)](#) has opened public consultation to get your opinion on the next version of its Vision 2030 and Strategic Research & Innovation Agenda (SRIA 3.0).

As part of this consultation phase we invite your views on the future of water-related research, development and innovation in Europe at our national workshop, which will take place on Thursday 14th February 2019, in The Gresham Hotel, Dublin.

The workshop will be chaired by Dr Jonathan Derham (EPA) and will feature presentations from Irish researchers funded by the Water JPI:

- Dr Eleanor Jennings, Dundalk Institute of Technology: Predicting In-lake Responses to Change Using Near Real Time Models (Acronym: PROGLOS);
- Professor Laurence Gill & Dr David O'Connell, Trinity College Dublin: Eutrophication hotspots resulting from biogeochemical transformations and bioavailability of phosphorus in the fluvial suspended sediment of geologically contrasting agricultural catchments (Acronym: Eutro-SED); and
- Dr Fiona Walsh, National University of Ireland, Maynooth: Stopping Antibiotic Resistance Evolution (Acronym: StARE).

Other guest speakers will include:

- Dr Dominique Darmendrail (Scientific Officer, Water JPI Coordinator), and
- Dr Padraic Larkin (former EPA Director, former Water JPI Co-chair).

You can view the agenda and register for the event [here](#).
