Please outline the Key issues discussed at the meeting:

- When approving minutes, it was pointed out that they referred to an attachment, but the attachment had not been included. It was agreed that it would be circulated.
- Paul O’Rahilly asked that minutes be distributed earlier and that the standing orders be amended to reflect this.
- The chair requested that discussion on this be deferred to the next meeting. Paul reluctantly accepted this.
- I informed the LCDC that as KLP had resigned from the Social Prescribing contract, there is now a gap as this body is named in the LECP implementation plan to achieve certain aims. The chair advised that HSE is looking for alternatives
- SICAP mid-year review presented by Katerine Peacock
- K. Peacock informed of gaps in recruitment to the KTCM management committee, also training for LCDC members, and CCFCS (Community Cultural Facilities Capital Schemes) which closed in May - A list of recipients is to be sent to members.
