- No

Did you or another PPN representative make any contributions to this meeting?

- I asked for clarification on a couple of items

Do you require feedback from the wider PPN Network / Linkage Group on any issues raised? (specify issue)

- No

Are there any issues / difficulties for you as a representative of the PPN arising from this meeting?

- Contributions from one or two members are so anti environment on Environmental SPC, I find that difficult.

Any other comments?

- There was a lot of negative comment on the Green Schools Programme at second level and it was felt by all those who commented that the programme is ineffective. I did not indicate I was a member of the local An Taisce Group but I have since advised the local group of the comments and they suggested I contact Head Office. I have done this and am awaiting a response.

Date of next meeting: Thursday 5th June 2025
