

Easy Read:

**From Listening to Action
Social Inclusion in County Kilkenny
2026–2028**

Approved by the PPN Social Inclusion Working group

What Is This Plan?

This plan shows **how community groups in Kilkenny can speak up** about problems.

It helps make sure **everyone is listened to**, especially people who may be left out.

Why It Matters

In the past:

- Groups raised issues
- They often **did not hear back**

This plan makes sure:

- Issues are **not ignored**
- Groups know **what happens next**

Who Is Involved?

- **Kilkenny PPN** listens to community groups
- The **Social Inclusion Group** brings shared issues to the County Council
- It looks at **problems affecting many people**, not individuals

How It Works (Simple Steps)

1. A group notices a problem
2. They fill in a form
3. PPN writes it down
4. The Social Inclusion Group reviews it
5. The issue is brought to the Council
6. The Council responds
7. PPN tells the community what happened

What Issues Can Be Raised?

- Problems affecting **groups of people**
- Barriers or missing services
- Personal or individual cases

The Main Aim

- To make sure community voices are **heard**
- To include people who are **often left out**
- To keep the process **clear and fair**
