Please outline the Key Issues discussed at the meeting?

We decided the GDPR form was to remain as is as it's in Plain English. Concern over the length of time it taking to turn over units this was put down to a number of factors, delayed vacations and amount of repair needed. There was also a question about apprenticeships by the council but this was not viable as the need for a long term employment. The strategy for the coming year needs clarification on the input of the committee or not.
